

Video-Discussion Questions

"I Use a Robot to Go to School"

1. Lauren says, "Most people find it surprising that Doritos have dairy in them." What does this statement reveal about the challenges of having a severe allergy?
2. The narrator says, "The VGo makes it possible for Lauren to interact with her classmates as if she were sitting right there with them." How does the video support this statement?
3. How would you describe Lauren's attitude toward her allergy, the VGo, and her future? Explain.
4. What information did you learn from the video that is not included in the articles "I Use a Robot to Go to School" and "What Causes Allergies"?
